Re: Docket 7250 - Petition of Deerfield Wind, LLC

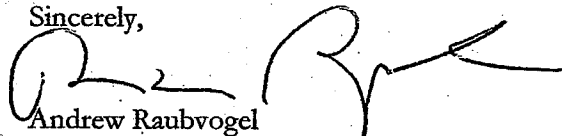

Dear Mrs. Hudson:

On behalf of Deerfield Wind, LLC, enclosed for filing is an original and six copies of the following updates to its 248 Petition, Testimony, and exhibits (as amended):

1. Prefiled Direct Testimony of Douglas Smith (GMP), in substitution for James Brown. Mr. Brown is no longer employed by GMP.
2. Second Supplemental Direct Testimony of John Zimmerman – this testimony describes minor changes to the turbine type (shorter rotor blades), substation location, and size of the maintenance building.
3. Second Supplemental Direct Testimony of Kenneth Kaliski – this testimony revises the noise modeling analysis due to the change to a shorter rotor blade.
4. Errata Sheet for Pelletier/Erickson testimony and exhibits.
5. Revised Combined Exhibit List

Please let me know if you have any questions regarding this filing, and thank you for your attention to this matter.

Sincerely,

Andrew Raubvogel
