Dear Ms. Staskus,

Please accept this letter in response to your November notification regarding the Deerfield Wind Power Expansion Project and our subsequent telephone conversations.

I am confirming that at this time I do not envision that the project will create an unreasonable burden on the Windham Southwest Supervisory Union regarding educational services for Searsburg or Readsboro.

Should you receive any additional information that could alter the perception gleaned from your notification letter please advise.

Thank you.

Sincerely,

Dr. M. Peter Wright  
Superintendent of Schools
